

# Does your strategy match your financial condition?

**It is critical to take the right steps at the right time.** At CapinCrouse, our team, experienced in higher education best practices, can help your organization assess situations, identify opportunities, and improve performance.

Since 1972, we have served hundreds of leading not-for-profit organizations — including nearly 80 colleges, universities, and seminaries — by offering a **full range of audit, review, tax, advisory, and consulting services.**

This includes:

- Financial statement and A-133 single audits
- State financial aid attestation services
- Employee benefit plan audits
- Tax planning and assessments, including UBIT studies and tax compliance
- Accreditation assistance
- Monitoring reports
- Finance, tax, accounting, and board training
- Advisory services

We also provide our higher education clients with a wide range of resources that are continually updated and refined to provide **the most recent information on trends, developments, and best practices**, including:

- *Higher Education Tax Reporting Trends* whitepapers
- Higher education roundtables
- Higher education webcasts
- Email alerts
- *Nonprofit Issues* newsletter
- Whitepapers targeting topics such as accounting updates, leadership transitions, effective board governance, etc.

You can learn more about our higher education services and access recent publications on our [website](#).

**CapinCrouse is dedicated to helping our clients operate with financial integrity so they can devote themselves to fulfilling their mission.** Please contact us today to discuss how we can serve you.
