

ALL OF YOUR EMPLOYEES. EVERY STEP OF THE WAY. STREAMLINED. COMPLIANT. SIMPLE.

Netchex understands the Payroll and HR needs of higher education institutions. You need a powerful, but easy-to-use tool that helps you track and manage your employees and labor costs. Netchex provides all of that and more in one integrated, automated platform. Keep reading to learn more. Then reach out to schedule a free demo!

Netchex Can Streamline Your HR Processes

Go paperless with a single-source platform to manage the entire employee lifecycle. Ensure compliance and remove exposure to risk by putting your employees in the trusted hands of Netchex. From recruitment and onboarding to benefits and retirement, and every step along the way, Netchex makes HR easy.

Netchex Can Improve Your Bottom Line

Higher education institutions have an incredible amount of moving parts, making cash leaks common. Netchex's robust reporting and completely integrated platform makes finding and stopping those leaks simple. Contain costs and keep all of your budgets in the black with Netchex.
